ALL NEW TOYOTA
YARIS
CROSS HYBRID

Introducing the all-new Toyota Yaris Cross Hybrid - where sporty design meets safety, connectivity, efficiency, and space.

Its sleek exterior and bold grille make a statement on the road, while advanced safety features, such as adaptive cruise control and lane departure warning, keep you secure.

Stay connected with the intuitive infotainment system, and enjoy impressive fuel efficiency with the hybrid powertrain.

Inside, a spacious cabin and generous trunk capacity ensure comfort and convenience on every journey.

Experience the perfect balance of style and practicality with the Toyota Yaris Cross Hybrid today!
